ABOUT US & VISION

Ensiyaab Engineering Co was founded in 2014 by two leading engineering professionals in their career paths. From humble beginnings, our zeal to be different from the other players in the market sets us apart and has been instrumental to our growth.

Since our inception, we have been very aggressive in our sales approach and in a very short span of time achieved significant market penetration and business for our principal companies.

We are always on the lookout to diversify into new markets and represent other manufacturers for such markets.

Ensiyaab Engineering is a company that is completely aligned with customers on their values and strives to achieve a higher level of customer satisfaction. We supply equipment /products from manufacturers we know & trust and in the process create a meaningful relationship with our customers.

OUR SERVICES

- 
- Gas Flare System
 - Pumps-Centrifugal, Progressive Cavity, Canned
 - Pumps- Chemical Dosing Injection
 - Pig launcher/ Signalers/ Jib Crane
 - Quick Opening Closure
 - Mechanical Key Interlocks
 - Test Separator Internals
 - Gas Filtration
 - Air Filter for Gas Turbines
 - Filtration/ Strainers
 - Flanges
 - Valves
 - Hipps System
 - ESD Valves
 - Float Valves
 - Control Valves
 - Pressure Safety Valves
 - Deluge Valves
 - Fire and Gas, Flame Detectors
 - Visual Flame Detectors
 - Sirens, Beacons
 - Fire Protection Coating
 - Enclosures / Junction Boxes
 - Solenoid Valves
 - Gauges – Press , Temp , Level & Flow
 - TX / Indicators/ SW - Press , Temp , Level & Flow
 - Flow Meters
 - Safety Shower, Eyewash with Chillers
 - Solar System, Lights, Batteries
 - Protection Relays
 - Substation –Event Recorder
 - Earth Leakage Monitors
 - Electrical Light for Hazardous area

OIL & GAS

REFINERY

- Gas Flare Systems
- Pumps – Centrifugal, Progressive Cavity, Canned
- Pumps- Chemical Dosing Injection
- Tower Packing, Column, Internals
- Mechanical Key Interlocks
- Test Separator Internals
- Gas Filtration
- Filtration , Strainers
- Flanges
- Valves
- Hipps System
- ESD Valves
- Float Valves
- Control Valves
- Pressure Safety Valves
- Deluge Valve
- Fire and Gas, Flame Detectors
- Visual Flame Detectors
- Sirens, Beacons
- Fire Protection Coating
- Enclosures / Junction Boxes
- Solenoid Valves
- Gauges –Press, Temp, Level & Flow
- TX / Indicators/ SW - Press , Temp , Level & Flow
- Flow Meters
- Safety Showers, Eye wash with chillers
- Solar System, Lights, Batteries
- Protection Relays
- Substation-Event Recorder
- Electrical Lights for Hazardous Area

- 
- Gas Flare System

 - Substation –Event Recorder
 - Earth Leakage Monitors
 - Electrical Light for Hazardous area

PETROCHEMICAL

POWER

- Pumps-Centrifugal, Progressive Cavity, canned
- Pumps- Chemical Dosing Injection
- Mechanical Key Interlocks
- Gas Filtration
- Air Filters for Gas Turbines
- Filtration/ Strainers
- Flanges
- Valves
- ESD Valves
- Float Valves
- Control Valves
- Pressure Safety Valves
- Deluge Valves
- Fire and Gas, Flame Detectors
- Visual Flame Detectors
- Sirens, Beacons

- Solenoid Valves
- Gauges – Press, Temp, Level and Flow
- TX /Indicators / SW-Press, Temp, Level & Flow
- Flow Meters
- Safety Shower, Eyewash with Chillers
- Solar System, Lights, Batteries
- Protection Relay
- Substation –Event Recorder
- Electrical Lights

GREEN ENERGY

- Solar Systems – On Grid / Off Grid
- Solar Batteries
- Solar Water Heater
- Solar Pumps
- Solar Lights
- Water Recycle Solutions

- Pumps-Centrifugal, Progressive Cavity, Canned
- Pumps- Chemical Dosing Injection
- Air Filters for HVAC
- Filtration/ Strainers
- Flanges
- Valves
- Float Valves
- Control Valves
- Pressure Safety Valves
- Deluge Valves
- Fire and Gas, Flame Detectors
- Sirens, Beacons
- Fire Protection Coating
- Enclosures / Junction Boxes
- Solenoid Valves
- Gauges – Press, Temp, Level and Flow
- TX /Indicators / SW-Press, Temp, Level & Flow
- Safety Shower, Eyewash with Chillers
- Solar System, Lights, Batteries
- LPG Regulators
- Aluminum Cladding, Panels
- Car Parking Canopy
